Bills for service are rendered quarterly and become due and payable upon issuance following the period for which service is rendered. A late payment charge of 3%, but not less than \$.50 will be added to bills not paid within 20 days of issuance. This one-time 3% late payment charge will be applied only to any unpaid balance for the current billing period's usage. This late payment charge is applicable to all customers. The utility customer may be given a written notice that the bill is overdue no sooner than 20 days after the bill is issued. Unless payment or satisfactory arrangement for payment is made within the next 10 days, service may be disconnected pursuant to Wisconsin Administrative Code Chapter PSC 185. A \$28.00 charge shall apply to the customer's account when a check rendered for utility service is returned for non-sufficient funds. This charge may not be in addition to, but may be inclusive of, other non-sufficient funds charges when the check was for payment of multiple services.
