The meeting was called to order at 4:05 by Jennifer Vallo

The minutes of the February 10, 2010 meeting were approved.

Invoices of \$13,112.90 for February and \$8,669.01 for March were approved.

Library / School:

1. The School Board has approved their share of the new carpeting. Erin received quotes from Coakley for moving all books and furniture during the project. A complete move would cost \$10,000. The cost would be \$6,000 if we load the carts, and \$3,000 to rent the 70 carts needed. The board felt that we would need carts as a minimum to do this project. Erin will check with United for their price. The project is planned for the middle two weeks of August.

New Business:

1. Erin reported on a weeding project that was done with help from volunteers from UW Madison. Some 5000 volumes were removed These are being shipped to an organization which will sell them. The library will realize some dollars from this.

The next meeting will be on May 12th.

The meeting was adjourned at 4:35.

Respectfully Submitted

John Multer, Bd. Sec.
