Special Hike: August 17, Lime Kiln Trail and Lunch at the Chubby Seagul
We will be leaving from Village Hall at 9 a.m. to car pool.

Brief History of the Kilns: While mining took place here as early as the 1850s, the Western Lime and Cement Company operated a limestone quarry here from 1895 to 1956. The Kilns you see before you were built to extract the lime from the stone. At its peak, as many as 40 people worked at the operation from processing the stone to making barrels to transport it. Many of these workers were recent immigrants from Hungary who lived in one of the 16 worker homes in what had become a small "company town" complete with a telegraph, store, church and tavern. The store still stands and now serves as a museum and interpretive center. We will car pool. Please sign up for this hike - Kohler Village Hall, call 920-459-3873 or email cgamb@kohlervillage.org.
