MISSION

Klub 55 serves as a focal point for those aged 55 and over in the extended Kohler community, providing opportunities for fun, recreation, learning, and socialization in order to encourage physical, mental, spiritual, and social well-being.

What is the extended Kohler community? In short, it is Kohler and the surrounding areas! Anyone who can make it to Kohler, where most activities take place, is welcome! At this time we do not provide transportation.

I wish you all a Very Happy Holiday Season! This past year has been a true struggle. The pandemic of 2020 has made us realize how precious life is and the importance of family and friends. I feel Klub 55 is a family in itself. Most continued to communicate and share feelings during the quarantine. Slowly we are trying to normalize ourselves; sometimes I feel that may never happen. Thank all of you for all your caring and generosity. Donating items for our Holiday Baskets shows what Christmas and the Holiday Spirit is all about. Putting a smile on someone's face is the best gift in the world.
